GOVERNMENT OF INDIA
MINISTRY OF WORKS MINES & POWER.

No. El- II /33(44) Dated ,New Delhi, the 14th March 1950

From

Shri N.P. Dube, M.A.(Cantab),
Under Secretary to the Government of India.

To

All the States (A & C,) Government.

Subject :- Evaluation of Assets of Electricity Undertaking to be acquired by State Governments.

....

Sir,

I am directed to say that whenever a State Government decides to purchase any private Electrical Undertaking, the work of evaluating the assets is generally entrusted to foreign firms of Consulting Engineers which involves a good deal of expenditure of foreign exchange which it is necessary to conserve as far as possible. It may be pointed out that the Central Electricity Commiss on have staff which can undertake this type of work in most cases although in some case it may still be necessary to recommend that the work be entrusted to a reputable firm of Consulting Engineers.

2. It is , therefore, suggested that if there be no objection the Government of Madras etc. may consult the Central Electricity Commission before making other arrangements for evaluating the assets of Electrical Undertaking proposed to be taken by Government. It may, however, be added that the Central Electricity Commission would be willing to undertake the work only if the parties agree to accept the evaluation of the Commission as final.

Yours faithfully,

Sd,. N. P. Dube,
Under Secretary to the Government of India.

Copy forwarded for information to the Central Electricity Commission, Simla with reference to their U.O. Non Y. dated 2nd March 1950

Copy also forwarded to the Ministry of States with the request that, if there is no objection, similar instructions may kindly be issued to the States Unions copy endoresed to this Ministry, for record.

Sd. N.P. Dube,
Under Secretary to the Government of India.
